

# Online Event Housing Tools

Powered by **Passkey**

**Enjoy a Seamless and Stress-free Event Experience:** Here at Wynn Las Vegas and Encore, we are committed to the success of your event and are delighted to offer our meeting planners a set of online tools that will make your event housing simple, seamless and stress-free.

## Event Booking Website

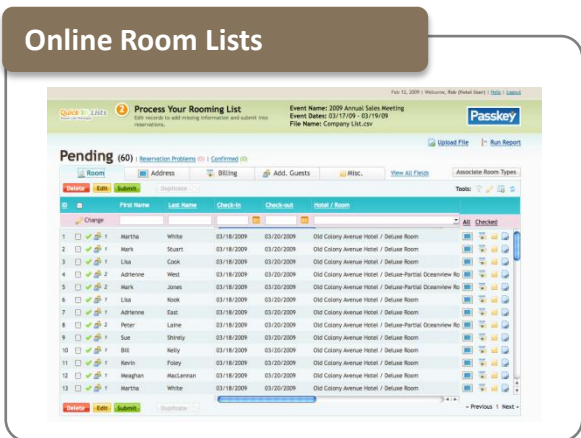

Custom website for your event so your guests can enjoy the convenience of booking online in your contracted block.

## Live Event Dashboard

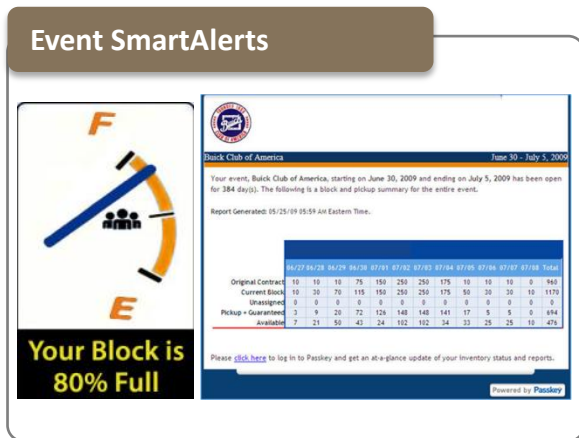

Track reservations, manage your room lists and review other important information in real-time, anytime.

## Online Room Lists

Upload your room lists at a secure web location, then manage them online at your convenience.

## Event SmartAlerts

Receive automatic email alerts at critical event milestones such as a weekly pick-up report or when block is 80% sold.

## Other Services

**Integrate event registration with hotel reservations**  
Create a seamless booking experience for your guests.

**Generate detailed reports**  
Dozens of reports available, from pick-up reports to pace, delegate and room list reports.
